Dear Sir or Madam:

Thank you for your recent donation of blankets and baby hats to Lucile Packard Children's Hospital. Your thoughtful support of the children and families at Packard Children's is greatly appreciated.

For more than two decades, the Hospital has provided compassionate, family-centered, and evidence-based care for all. The dedication of friends like you has made it possible for Packard Children's to achieve key milestones in pediatric and obstetric medicine, and we are grateful for your partnership.

Your gracious act of philanthropy will help to ensure that patients at Packard Children's and in our community receive the care they need. On behalf of our physicians, nurses, scientists, and especially our children and families, thank you.

Sincerely yours,
