

# Care Kits for the Homeless

Peninsula Multifaith Coalition MLK Jr. Day of Service

January 21st, 2019

Peninsula Multifaith Coalition builds bridges among faith communities and strives to bring us together in our diversity by creating opportunities through which we can serve our community together. In coordination with LifeMoves (formerly Shelter Networks), this year we are creating hygiene kits for the homeless during our annual Martin Luther King Jr Day of Service.

We're asking help from your faith community by your contributions of any items from the following list:

- Toothpaste
  - Toothbrushes
  - Washcloths
  - Deodorant
  - Combs
  - Hand sanitizer
  - Sanitary napkins
  - Little bottles of shampoo/conditioner
  - Small soaps
- (all items should be unused, please)

**Thank you for your contribution!**
