

Video for PMC that includes some suggestions for PMC Liaisons to get information about PMC out to all the people in their faith community.

Hello, I am Pastor Connie Winter-Eulberg from St. Andrews Lutheran and I am the President of the Board of Directors for the Peninsula Multifaith Coalition **known as the PMC.**

This video will help people in our member faith communities to get out information about PMC activities within each of our faith organizations.

I am excited about the goals and the activities of the PMC. We have a huge service learning day on MLK Day in January each year as well as Prayers for Peace, multifaith educational programs and ways to share our faith traditions with others.

The PMC is a fantastic organization that builds relationships between diverse communities and connects people. We create peace between people.

Here are some ways to share PMC programming:

1. **Newsletter** articles that are sent electronically or by snail mail to members
2. **Verbal announcements** at worship or prayer services or programs
3. **Video information** as people gather to attend a time of prayer or worship
4. Write a **prayer** that includes a petition that includes a blessing for multifaith work or an upcoming PMC activity.
5. Document **stories of interfaith connections** and send to faith leaders to be included in a sermon, homily, or teaching.
6. Work with your **faith communities committee on justice or interfaith** to spread the word about PMC.
7. Create a **poster** about PMC and put it up in your faith community.
8. **Invite a speaker from PMC** to speak to a committee, council or small group in your faith community. We have many great speakers who have lots of stories about multifaith work to share.

Please contact me with your ideas for my next video at **pastorconniewe@gmail.com**
